#200 - Housewives' Gossip

Hopefully the neighbors aren't saying anything bad...
I wonder if Mom's alright...
I know...
You just can't help it...
Geez...
You really can't...
Onii-chan's coming home!
Ah!
Having both your children be NEETs
has got to be pretty shameful...
If it was me, I'd just end up walking past rather than going into the house...
Pretending to be someone else
How are you gonna handle this, Onii-chan?
He's gonna run into them at this rate!
Huh!?

He stopped for a chat!
And he's even getting laughs!
He didn't just talk to them, but made them laugh ...
What an amazing man...
I'm home.
Onii-chan! Onii-chan!
Hm?
What did you talk about with the neighbors!?
How did you make them laugh!?
Just a little NEET-gag.
NEET-gag!?
Something like that exists!?
Didn't mom get mad?
She couldn't say a word.
ha ha ha
